About [youenergyjobs.com](http://www.youenergyjobs.com)

The Energy Institute (EI) has a long and prestigious history of representing, promoting and supporting professionals working within the energy industries. Today, with over 14,000 member's worldwide, the EI is a focus for sharing ideas, knowledge and experience in a competitive world.

The launch of www.youenergyjobs.com is an important step in our continuing and changing development. Now, we are able to support the recruitment requirements of a changing industry with a dedicated online site.

Never before has it been so easy and cost-effective to advertise, recruit and manage your workforce – worldwide and online.

Our Service

We recognise you want to advertise your vacancies quickly and cost-effectively and sometimes to a worldwide audience in a bid to reach the best possible pool of candidates.

We also recognise you may want help to track jobs advertised as well as candidate applications. Using [youenergyjobs.com](http://www.youenergyjobs.com) is a simple, intuitive experience for both candidates and recruiters.

Job seekers

- Upload CVs in a simple, easy-to-navigate, user-rich experience
- Browse and search for relevant vacancies by sector/location/salary
- Respond immediately, and choose to have a covering letter
- Register to receive the latest vacancies by email
- Manage your own job applications
- Research potential employers via the recruiter directory
- Access top career hints and tips

Recruiters

- Register online and start posting jobs immediately
- Allow staff access to your organisational log-in
- Track all candidate responses and store applications
- View and respond to applications
- Search and download from the knowledge bank of CV's
- Market to a range of candidates from EI membership and beyond
- Build brand equity with potential candidates
- Link to your own corporate/recruitment web site
- Standardise all job applications

Why use youenergyjobs.com?

- Cost-effective and competitively priced
- Independently owned by the EI, a Royal Charter professional membership organisation
- Access to over 14,000 worldwide members of the EI
- Over 2,000 student members of the EI, looking for their first career move
- Access to our newly built and expanding CV database – can be searched by location/salary/experience/specialism
- Email alerts to registered and active job seekers
- Targeted emails to enable candidates to receive only those jobs that are relevant to them
- Recruiter Directory – with links back to your own corporate website
- Support for Broadbean, I-grasp and other multi-posting job feeds.
- Site developed to give you speed of access and key results quickly
- Niche service sector – we specialise in energy vacancies and nothing else

Our Commitment

youenergyjobs.com is the official online recruitment service of the EI, and as such, we are committed to enhancing and developing our service by listening to our members, candidates and clients. If you have any questions about the service, please do contact us and we will endeavour to respond as quickly as we can.

Whether you are searching for new people, or a new position, you can now rely on youenergyjobs.com to help you succeed.
